Infants' Fancy Sox, all colors and sizes; worth 15c, Monday special 12 1-2c.

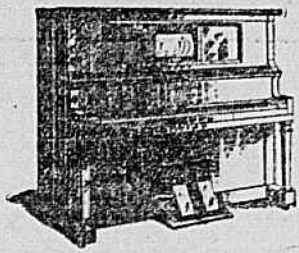

HOFHEIMERS - 311 E. Broad

Wouldn't you like to sit down to-night, after the stress of a strenuous day, just when you want relaxation—when you want to be mentally revived and refreshed—and listen to the velvety purring elegance of Leschitzky—the thundering majesty of Liszt—the fire of Carreno—the passionate romanticism of Rubenstein?

Wouldn't you like to create these sounds for yourself—easily—with little or no mental or physical effort?

You, Mr. Business Man—you, Mr. Merchant—wouldn't you like to have your little child play the things these artists played, or some dear old song or hymn?

You can have them all AT YOUR COMMAND by means of a Henry & S. C. Lindeman Player-Piano—all as they are written, for the Lindeman Player-Piano plays the entire keyboard of 88 notes, not merely 65 notes, as the ordinary player-piano. It will play 65 or 88 notes at your command.

You, your wife, daughter or child can easily play the Lindeman, no matter how indifferent may have been your or their musical education.

For the Lindeman is at once the most simple, the freest from useless "gimmicks"—confusing levers—of any player-piano manufactured.

And, at the same time, the Lindeman is the surest, most durable and the most easily controlled player-piano made.

Your piano or organ we will take in exchange for a Lindeman Player-Piano. Write for our catalog describing our line of Players.

Officers Find "Blind Tiger."

(Special to The Times-Dispatch.)
Williamsburg, Va., April 9.—A barber shop, run by Tom Hughes, colored, on Scott Street, which has long been under suspicion as a "blind tiger," was raided last

night by City Sergeant R. D. Wilkins and five or six officers, and a large quantity of liquor secured. Hughes was placed under arrest and lodged in jail. He was granted bail this morning by Mayor Warburton, and his case set for trial next Monday.

Is Constipation Curable? Try This Free

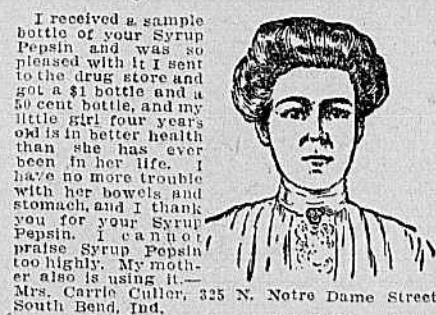

I believe that thousands of people suffer needlessly from constipation simply through ignorance of what kind of a remedy to take. You cannot cure a chronic trouble by one flushing of the colon, as is the case when salts and purgative waters are used. And it is a well-known fact that cathartic pills, after the first relief, bind the bowels all the more. These things seldom do more than temporary good.

Dr. Caldwell's Syrup Pepsin

a remedy that I have sold through druggists for a quarter of a century, comes much nearer to the ideal method of cure. It is a liquid, mild, pleasant-tasting and non-gripping. A baby can use it with safety, yet it is effective in the strongest person. It gives relief promptly, and by continuing its use briefly the stomach muscles are trained to again do their work naturally, and then you can dispense with medicines. To prove these claims, I will gladly send a free sample bottle to any sufferer from chronic constipation, liver trouble, sick headache, heartburn, sour stomach and similar digestive complaints. You have only to send me your name and address. After using the sample, if you then feel sure it is the remedy you have so long sought, buy it of your druggist at fifty cents or one dollar a bottle. Thousands of heads of families always keep it in the house, as it can be used by all.

DR. CALDWELL PERSONALLY WILL BE PLEASED TO GIVE YOU ANY MEDICAL ADVICE YOU MAY DESIRE FOR YOURSELF OR FAMILY PERTAINING TO THE STOMACH, LIVER OR BOWELS. ABSOLUTELY FREE OF CHARGE. EXPLAIN YOUR CASE IN A LETTER AND HE WILL REPLY TO YOU IN DETAIL. FOR THE FREE SAMPLE SIMPLY SEND YOUR NAME AND ADDRESS ON A POSTAL CARD OR OTHERWISE. FOR EITHER REQUEST THE DOCTOR'S ADDRESS IS DR. W. B. CALDWELL, R. 527, CALDWELL BLDG., MONTICELLO, ILL.

I received a sample bottle of your Syrup Pepsin and was so pleased with it that I sent to the drug store and got a 1/2 bottle and a 1/2 cent bottle, and my little girl four years old is in better health than she has ever been in her life. I have no more trouble with her bowels and stomach and I thank you for your Syrup Pepsin. I cannot praise Syrup Pepsin too highly. My mother also is using it.

Mrs. Carrie Culler, 325 N. Notre Dame Street, South Bend, Ind.

We thank you for the sample bottle of Syrup Pepsin. If we could not get any more than that, we would certainly keep it for the good it has done us. Our house is never without it and never will be as long as we can raise a dollar in our home.

J. H. Hankins, Junction City, Ky.

I received the sample bottle and am using the second 50-cent bottle procured at one of my local druggists. Results were the most satisfactory. An advertising Syrup Pepsin to every one that is interested—O. F. WISHER, Sycamore, Ill.

I was for years a constant sufferer from chronic indigestion and constipation, and had almost given up hope of ever being cured, but Dr. Caldwell's Syrup Pepsin has made a well man of me, and I write to acknowledge my gratitude to Dr. Caldwell and to the Postoffice Building Co.—R. M. HARRINGTON, Pres. Harrington Mfg. Co., Peoria, Ill.

DR. HATCHER WILL CONDUCT REVIVAL

Special Services Arranged by Petersburg Baptist Church.

NEW HIGH SCHOOL AT REAMS

Interesting Exhibition at Dinwiddie Teachers' Convention.

Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., April 9.

The First Baptist Church will begin a series of special meetings to-morrow morning, with the Rev. William E. Hatcher, D. D., of Richmond, as the preacher. Dr. Hatcher was once pastor of this church for about seven years, and many of the present membership were brought into fellowship during his pastorate. He has the faculty of making friends wherever he goes, and many outside the fellowship of the First Church await with delight his coming to Petersburg. During his stay in the city his headquarters will be at the Stratford Hotel.

Interesting and successful revivals have been in progress during the week at the Grove Avenue Baptist and E. L. Erick Methodist Churches, and many persons have professed conversion.

The Woody Memorial.
Simon Soward, one of the deacons of the First Baptist Church, who has been spending the winter in Florida, is now on his way home by steamer from Cuba to New York, and is expected in Petersburg in a few days. As soon as he arrives arrangements will be completed for the dedication of the Woody Memorial Chapel, the assembly room of which will be occupied by the Seward men's Bible class. The chapel is a beautiful building recently erected adjoining the church, and is a replica of the mother church, which this honors the memory of one of its beloved members.

Oppose Wide Tire Law.
The citizens of Matocca District, in Chesterfield county, at a largely attended meeting last night, organized a club to oppose the wide tire law of the county in the Circuit Court, and to employ counsel for that purpose.

At a meeting of the school trustees of Dinwiddie county yesterday it was decided to build a high school at Reams's, the cost of which will be between \$2,000 and \$4,000. The matter of building a schoolhouse at Carson's has also been considered.

Two Deaths.
Mrs. Evelyn Elizabeth Faison, aged seventy-two years, wife of W. P. Faison, died this morning at her home on West High Street. She was a much respected Christian woman, and was one of the oldest members of High Street M. E. Church. She is survived by two daughters and three sons, all of this city.

J. P. Burrow, a widely known and esteemed citizen of Prince George, died this morning at the residence of his son, R. C. Burrow, in that county. He was 71, but a short time, and was sixty-seven years old. He is survived by two sons, J. H. and R. C. Burrow, and one daughter, Mrs. N. B. Temple, all of Prince George.

Sales of Tobacco.
Sales of tobacco this week were 299,140 pounds, bringing the aggregate sales for the season up to 5,975,390 pounds. It is estimated that about 1,000,000 or 1,250,000 pounds of last year's crop in this section remains unsold. The fine prices that have ruled on all grades throughout the season will tend, it is said, to the planting of a much larger area in tobacco this year.

Miscellaneous News.
Two white men, giving their names as Mike Walsh and Lewis Carter, were arrested here this morning on suspicion of being absent from their ships at Norfolk without leave. The naval authorities will be communicated with about them.

Grading for the Norfolk and Western belt line around this city is well advanced. The company has acquired the right of way for this line at pretty heavy cost. It is said, and has been granted permission for the crossing, under proper guarantees, of all county roads, some of which will be crossed above and others below grade. A great deal of bridging, concrete and stone work is to be done, though the belt line is only about seven miles in length.

A slight fire occurred last evening in the hardware and implement store of H. L. Smith, on Bollingwood Street. The department quickly extinguished it with the chemical apparatus, and but little damage resulted.

Mrs. John Urquhart, Mrs. T. B. Gray and Miss Mabel Allen, of Norfolk, are guests of Mrs. Lefroy Roper, on High Street.

The frost of Friday morning did no damage to fruit in this section, and the prospect is for an abundant crop.

At the Orchestral Concert next Monday the orchestra will play Mendelssohn's "Songs Without Words."

Dinwiddie School Exhibit.
At the convention of the teachers of Dinwiddie, held at the county courthouse on Thursday and Friday, and which was largely attended, there was a fine exhibit of school work from the various schools, and numerous prizes were awarded, as follows: For general merit of school work to Kenilworth School, of which Miss Catherine M. St. John is principal; for nature study, DeWitt School, Miss Clarence Atkinson, teacher; for collection of drawings, Dinwiddie High School, Miss M. Walker, principal; for general good work, Branch Darby, of Kenilworth School; for needlework, Melrose School, of Kenilworth School; for basket weaving, Trinity School, Miss Belle Burk, teacher; for best penmanship, Alma Haus, of Trinity School.

Democratic Primary.
A meeting of the Democratic Central Committee has been called for Monday night to name the date for the primary election, to nominate twelve candidates for the Common Council and six candidates for the Board of Aldermen. As yet announcements for these positions are very few.

While driving on Liberty Street this afternoon, City Sergeant John B. Evans was thrown from his buggy by accidental collision with a wagon. His vehicle was upset and he was slightly injured.

PREPARE TO HOLD LOCAL ELECTIONS

Question of Special Taxes for Schools to Be Voted On.

Raleigh, N. C., April 9.—There are at least thirty-one counties in every section of the State, in which there will be held local tax elections for the improvement of schools between now and June 1, when the tax levies for the year must all be made. Heavy demands are being made on the State Department of Education, and the special education campaign committee, operating in conjunction with the department, under the secretaryship of C. H. Mebane, of the State Department of Education, for special speakers to take a hand in these impending campaigns. These districts all want speakers from without their respective sections, sent to advocate the local tax, and they want the foremost men available. It is the expectation that no less than 100 additional local tax districts will be carried by June 1. There are already more than 1,000 in the State. The counties in which these elections are being mostly agitated, and the number of districts involved are: Alamance, 3; Alleghany, 3; Bladen, 3; Buncombe, 1; Chatham, 2; Cherokee, 3; Currituck, 12; Dare, 1; Forsyth, 2; Hertford, 4; Hoke, 1; Jackson, 3; Johnston, 6; Lee, 3; Jones, 3; Macon, 3; Mecklenburg, 4; Mitchell, 2; Moore, 6; Nash, 8; Northampton, 1; Orange, 5; Pender, 3; Richmond, 4; Rowan, 2; Sampson, 4; Stokes, 4; Swain, 3; Union, 4; Wilkes, 2; Yancey, 2.

Attractive Program.
Secretary R. D. W. Connor, of the North Carolina Teachers' Assembly, says the details of the program for the session of the assembly at Asheville, June 14 to 17, are being worked out in a most satisfactory manner, with every promise of an immensely profitable session for every department. The assembly will have four principal divisions of work—elementary and secondary education, and departments of school principals and school superintendents.

T. B. Parker, in charge of the Boys' Corn Club Division of the State Department of Agriculture, says the interest in this work is at "white heat" now, and it looks as though every county in the State will be represented. He says Guilford, Randolph and Cleveland are well in the lead, each having clubs with considerably more than one hundred. He says there is general gratification at the fact that the State Fair has seen fit to offer substantial prizes for the best boys' exhibits. This, he thinks, will help greatly.

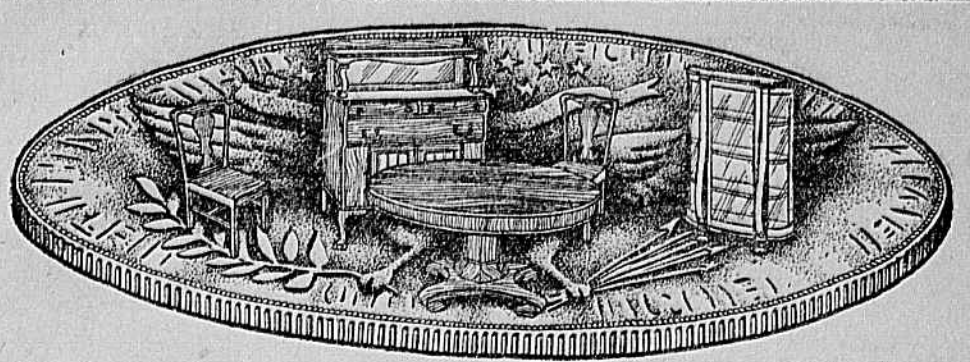

Council of State.
There was a special session of the Council of State to-day to hear representatives of the North Carolina State School for the Deaf and Dumb, Morganton, on a number of matters pertaining to the school, particularly its finances. Representing the school were Superintendent J. McK. Goodwin and M. H. Holt, Guilford, and J. L. Scott, Jr., Alamance, of the board of directors. The new primary building is just being completed that was provided for by the last Legislature. It is costing \$27,000, and is pronounced an exceptionally good building for the amount it is costing.

There are now 244 children in the school, and Dr. Goodwin says this session is covering one of the best satisfactory in the history of the institution.

A charter is issued for the Carolina Banding Machine Company, Winston-Salem, capital, \$25,000 authorized and \$24,000 subscribed. The officers are: R. H. Pries, W. F. Schaffner, W. C. Briggs, William O'Brien and others.

DIG SHIPMENTS.

Largest Run of Shad and Herring Ever Known in Virginia.
(Special to The Times-Dispatch.)
Irvington, Va., April 9.—The largest run of shad and herring ever known in Virginia is now at its height. Some 2,500 big pound nets are listed in Virginia—more than ever before—and are making extraordinary catches. Ten thousand shad shipped daily North from the ordinary steamer wharves along the Chesapeake Bay shore is a fair average, while the shipment of herring is something actually appalling. The herring plants (salting works) scattered along the upper Chesapeake, are running night and day, and cannot begin to handle a tenth of the catch. One firm to-day wired a friend in the business to send his fishing steamer there, and they would give them as many as could be carried

away. So great is the herring run that they are clogging the nets, and millions are thrown back or cast upon the beach after death. The fish cannot as yet be handled for fertilizer, as the menhaden factories have not opened up.

Prices for shad keep up, presumably because of the high prices for meats, and the North is getting practically all fish shipments from Virginia.

WILL HOLD BOND ELECTION.

People to Vote on Question of Erecting New School Building.
(Special to The Times-Dispatch.)
Denbigh, Va., April 9.—The school trustees of this school district, along with Division Superintendent J. S. Eastman, appeared before the Board of Supervisors of Warlick county, on Thursday for the purpose of having the board confirm the action of the school trustees in having an election in the district for the issuing of \$5,000 worth of bonds to be used in the erection of a graded and high school building to be located here. The Board of Supervisors unanimously confirmed the action of the school trustees.

tees, so that with the beginning of the next school year the district can boast of a fine new school building, as all signs point to the adoption of the proposition by the voters of the district.

The date for the election will be fixed by Judge Tyler, of the Circuit Court, and it is probable he will designate some day during the first week in June, as this time seems to meet with the most satisfaction.

Orndorff-Hodson.
(Special to The Times-Dispatch.)
Woodstock, Va., April 9.—Marshall Orndorff, of Orange, Va., and Miss Mamie C. Hodson, of Fawcetta Gap, Frederick county, were married here to-day by Rev. J. D. Hamaker.

Leafe-Connor.
(Special to The Times-Dispatch.)
Winchester, Va., April 9.—Norman S. Leafe and Miss Inez Connor, members of well known Winchester families, were married Thursday evening at the home of the bride, by Rev. Frederick U. Hager, of the Madison Avenue Baptist Church.

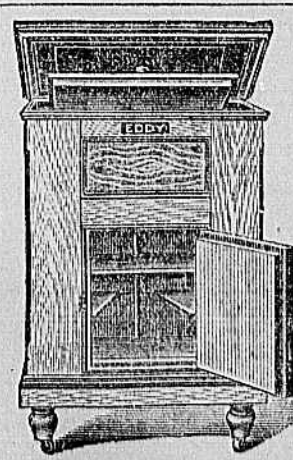

Falls to His Death.
(Special to The Times-Dispatch.)
Gap City, Va., April 9.—At a point where the county road passes over a tunnel of

the Carolina, Clinchfield and Ohio Railroad, at Hill Station, last night Tow Owens, aged twenty-seven years, stepped off the bluff at the roadside, falling sixty feet to the railroad track. The body was found this morning, with one leg ground off by a train. Owens came here from Chattanooga, and was married two years ago.

Aged Woman Fatally Burned.
(Special to The Times-Dispatch.)
Roanoke, Va., April 9.—Miss Bertie Oliver, aged sixty years, was fatally burned at her home on the outskirts of the city. She was walking near a trash dump when her clothing took fire.

The Wednesday Club Announcement

On Thursday, April 14th, the public at large can purchase tickets for the music festival of the Wednesday Club at the Cable Piano Company's warehouse, 213 East Broad Street. Persons wishing to subscribe for the whole series of concerts for the whole year should obtain their tickets before that date, thus securing the subscription rate, together with the choice of seats. The floor of the City Auditorium is now completely equipped with opera chairs.

The Eddy Refrigerator

Should be in every home. There is not one that can afford to be without it. Absolutely sanitary. Perfect dry air circulation. Economical in the use of ice. Not made to suit a fad or fancy but for service, and on correct principles. The catalog will give you "Reasons Why." A personal examination of

"The Eddy"

will prove to you its merits. You are invited to call at your convenience.
